

I like working at Portland Family Practice because:

“Its like a big family, everyone cares about one another”

“Everyone is so wonderful here and all pull together to help each other out”

“All the staff works well together with one focus- the best possible outcome for the patient”

“It really does feel like a family, it’s not only in the name but in the feeling you get when you are working here”

“I like working at PFP because everyone takes special care of each other and every patient”

“MY CO-WORKERS COMPASSION AND GREAT SENSE OF HUMOR”

“The work atmosphere is very family orientated, everyone is understanding, and supportive of each others needs”

“I feel like I was adopted by PFP and now it is my family”

“I love working at PFP because everyone is so willing to get the job done”

“Working at PFP is like working with family. We have our ups and downs but the coworkers are always there to support you or help you celebrate”
